Community Chest Map Out A Summer's Program

PLANS FOR THE SUMMER MONTHS INCLUDES MANY ACTIVITIES

The Board of Directors of the East Jordan Community Chest held their regular monthly meeting at the State Bank Bldg. Monday afternoon of this week.

After the minutes of the previous meeting were read and the theasurer's report received a motion was approved granting $100. to the Scenic Trails Council of the Boy Scouts of America for advancement of scouting to East Jordan's newly organized Boy Scout Troop. The allotment of an equal sum was authorized to pay for the purchase of a tow rope that was used the past winter at the Ski Tow on Winters' Hill.

Coach Gayle Saxton of the high school, who will direct the local recreation program this summer was on hand and gave a report on his plans for the coming summer months.

East Jordan's summer recreation program this year will consist of six weeks unit designed to take in a maximum number of participants. Miss Jean Simmons, who worked in Traverse City's recreational program last year, will assist Coach Saxton.

Activities under Coach Saxton will begin Monday June 4th and end Saturday July 14th, Miss Simmons' program will commence Monday June 11th and end Saturday July 21st.

Again this summer, one of the features of the program will be the two week's camp for boys at Ocqueoc near Roger City. Boys from Boyne City, Petoskey, Pellston, and East Jordan will get together to enjoy the rigors of camp life. This year's camp will cover a two week's span with each community sending one half their group each week. This change in procedures over last year was made necessary through the increased numbers expected to attend Bill Gravel and Coach Saxton will meet with representatives of the other communities in the near future to formulate the camp functions. The possiblity of a Day Camp for girls will also be discussed when the representatives get together.

The Recreation Committee of the Community Chest headed by Chairman Alex Sinclair will meet Wednesday evening April 18th to help draw up an outline of the summer's activities, which will be conducted chiefly from two sites, the East Jordan High School, and the Tourist Park.

Some of the special events that are expected to be included in the program are: a kiddies parade, a pet show, a saop box derby, shuffleboard and tennis touraments and weekly movies.

A Men's Softball League is expected to get under way in early June. Baseball for midget and intermediate boys including competition with adjoining towns is another highlight. Girls' softball will also take its bow.

Weekly scenic tours including trips to the Straits and the Traverse City Zoo are a liklihood.

Playground activities, story story hours, arts and crafts, and hikes will be worked in.

Another feature sure to attract the community's fancy is the carrying on of the weekly square dances at the Tourist Park.

East Jordan Auxiliary Entertains Units Of The District

The American Legion Auxiliary of the Lower 11th District held their business meeting in the I. O. O. F. hall, Sunday, April 8th, following the parade. Edna Wilkins, President of Rebec-Sweet Unit 227 opened the meeting after the Pledge to the Flag led by the Jr. Aux. President was given, the Coral group of East Jordan Unit 227 directed by Mrs. Drapeau and accompained by Minnie Des Jardin pianist sang "When I Grow To Old To Dream" and "Tell Me Why" both numbers were well received. The meeting was then turned over to the District officers, Mrs. Campbell of Mackinaw City, District President presiding. The roll call of Units found 86 members present and 3 past district presidents Mrs. Humphery, Cheboygan, Mrs. LaMarr, Petoskey and Hilda Bathke, East Jordan. Reports by District Committee Chairman for the past 90 days were read all Units are working hard and accomplishing much in their respective communities. The singing group from South Boardman led by Music Chairman Mrs. Phelps sang "God and Country" a Legion and Aux. song, then they sang "To The Aux." with the entire group joining in, Mrs. Phelps urged all Units to learn this stirring song and use it as the Anx. Theme song. The meeting was ajourned and everyone went to the Legion Home where a delicious lunch was served. Dancing, renewing and making new aquaintances with Aux. Members and Legionnaires from other Units and Posts as well as lots of fun completed the day. Much is due to Eva Peterson, Aux. General Chairman and all her committees for the fine manner in which all festivities were conducted as well as the Post Committees. The lovely tickets on was raffled off with "Chubby Boy" well known radio announcer frm Station W.M.B.N. Petoskey, who was guest at the Legion Club, conduting the raffle, Daisy Ford having the lucky ticket.

Next District Meeting will be held at Walloon Lake the latter part of June or early in July the date to be announced later. All Aux. members should make it a point to attend these meetings as it is important to know what other Units are doing throuout the district and there is always plenty of entertainment and fun for everyone so if you missed this meeting be sure and plan to attend the next one.

Being tired too often causes people to be often broke.

Plans Fire Campaign

Vern Taylor, of the conservation department's forest fire staff at Jackson, makes a final check of the list of "key" volunteer firefighters available for the spring campaign in southern Michigan districts. As throughout the state, trained volunteers are vital cogs in department planning to keep district fire losses to an absolute minimum.

Student Nurse Recruiting Week
April 9—14th

Sponsored by the Petoskey District Nnrses Assoc.

This week has been designated to urge all young women between the ages of 18-35, high school graduates, with college crediates, to enter the field of professional nursing. Such a career is both challenging and appealing to every young woman. The need for nurses is urgent—75,000 student nurses are needed to fill the quota for 1951. Nurses find that they not only serve their country and community, but hold a position that offers security and variety.

Throughout the week, in cooperation with station WMBN, information concerning the nursing field will be broadcast at regular intervals. A fifteen minute program, entiled "Your Nursing Review" will also be made.

Won't you help us in this effort by using this information, with a picture if possible of some nursing service offered in your community?

Grade Children Present Operetta

OVER 400 WITNESS FINE PROGRAM BY GRADE STUDENTS

Over 400 attended the East Jordan Grade School Operetta, "I Hear America Singing," April 6, in the gymnasium. This was an original arrangement suggested by Miss Elizabeth Dhaseleer, and worked out by all the grade teachers. Mrs. Alta Drapeau was the music director.

The setting for the operetta was a television studio, with an M. C. and his assistant. Every child in the grade school participated in this program.

The program opened with Indian Songs, sung by the third grade. The children were dressed as Indians, with some having speaking parts.

A Colonial dance, to "The Old Gavotte," was done by the fourth grade, for Colonial Period Songs. The boys wore breeches and powdered wigs; the girls wore long dresses.

The sixth grade gave Pioneer Songs, "Covered Wagon Days;" and "Daniel Boone;" featuring the life of the famous pioneer. They had a square dance, with an imitation orchestra.

The Kindergarten presented Nursery Songs, "Little Boy Blue" and "Sing A Song of Sixpence." Some of the boys acted as blackbirds in the pie, which was pulled out on the stage by the girls.

The first grade, dressed appropriately, paraded around the stage, singing "Easter Parade." The boys wore stove-pipe hats and white shirts, and the girls wore fancy dresses and bonnets.

The second grade gave Negro Songs, "Old Black Joe," and "Turkey in the Straw." Several of the boys and girls, who had their faces blacked and had artificial wolly hair, sang "Jolly Pickininnies."

The fifth grade sang Work Songs, "Erie Canal," "Paul Bunyon," "Men at Work," and "Mothers Make a Home."

The finale, sung by all grade school, consisted of the theme song, "I Hear America Singing," and "God Bless America."

The grade teachers want to thank Mrs. Bette Downing and Mrs. Emma Nemecek for their help during the absense of Mrs. Jessie Hager and Mrs. Lois Snyder.

Speeding is profitable only for the undertakers.

Friendly Circle Had Pot Luck Lunch

The Friendly Circle Extension Club had a pot luck lunch at the home of Mrs. Laura Malpass, Thursday, April 5, at 1:00 p. m.

The roll call was answered by a quotation from the Bible with the word "thanks" in it.

Leaders Mrs. Lorene Wade and Mrs. Helen Watson ably presented the lesson on child discipline and training. It was instructive for grandmothers as well as mothers.

Special Notice

Due to the increasing number of local mem entering the armed services, the need has become apparent for a service organization in East Jordan.

All local organizations interested in the re-activation of the "Community Service Organization", please be represented at a meeting held at the American Legion Hall at 8:00 P.M., April 18.

At this meeting we hope to elect a governing body and plan future activities.

Junior Auxiliary Honored At District Meeting

The Junior Auxiliary of the American Legion Rebec-Sweet Post 227 was honored at the Lower 11th District meeting by having Jr. Aux. President Rose Mary Bowers lead the members in the Pledge to the Flag during the opening ceremonies of the Aux. meeting. The Jr. Aux. were also represented in the parade, several members were unable to march due to illness etc.; but it is hoped that they will be out in full force the next time there is a parade. Next Jr. Aux. Meeting will be held Saturday, April 14th at 2 o'clock, same place.

Marriages

Babel — Nachazel

At 9:00 a.m. Saturday in Holy Cross Catholic Church, Marine City, Shirley E. Babel, of Ann Arbor became the bride of Edward Nachazel. Rev. Walter J. Rottach read the rites. The bride is the daughter of Mr. and Mrs. Leonard Babel of East Jordan. Mrs. William Zitka of East Jordan and the late Edward Nachazel are the parents of the bridegroom.

The bride wore a gown of white satin and illusion net trimmed with point de Venice lace. A lace halo trimmed with seed pearls held her fingertip length veil and she carried a white orchid on a white prayer beek.

Miss Margery Nachazel, sister of the bridegroom was Maid of honor. She wore a blue taffeta gown with gracelet length sleves and mandarin collar. Mrs. William Gale Ypsilanti; Miss Eileen Reckel, Fair Haven and Miss Anna Brock, Detroit were bridesmaids. They wore gowns in yellow, pink, green and aqua taffeta and all wore net halo headdresses to match their gowns. They carried arm buquets of pink and manve cornations.

Donald Liddle was best man. Guests were seated by William Gale, Arthur Thoma, Ann Arbor and Louis Van Soosten, Detroit. Connie Nachazel, neice of the groom was flower girl, Gary Emig, cousin of the bride, served as ring bearer. Miss Janice White, Dexter, sang for the cermony. She was accofpanied by Mrs. Tom Daly at the organ. For her daughters wedding Mrs. Bable chose an aqua crepe dress with lace trim and white accessories, she wore a corsage of pink carnations.

The bridegroom's mother was attired in lilac crepe with white accessories and red rose corsage. A wedding breakfast in Gleaner hall on the Indian trail followed the ceremony. A five tiered wedding cake flanked by white tapers and spring flowers centered the brides table.

In the evening there was a reception which was attended by guests from East Jordan, Ann Arbor, Detroit, Muskegon, Rose City, Ypsilauti, Flint, and Fair Haven. When the couple left for their wedding trip during which they will travel through Illinois and Wisconsin the bride was wearing a sunset pink suit with white accessories and a white orchid corsage. They will make their home in Ann Arbor.

Those from East Jordan who attended the wedding were: Mr. and Mrs. William Zitka, Mr. and Mrs. Norbert Nachazel and daughter, Connie, Mr. and Mrs. Leonard Bable and Mrs. Henry Van Soosten.

East Jordan Fields A Track Aggregation

SECOND TIME IN MORE THAN TEN YEARS EAST JORDAN HAS ENTERED

Twenty-five candidates reported to Track Coach Max Damoth for initial workouts last week as the Red Devils began preparation for a schedule that is made up of two dual meets, the Northern Michigan Class C Conference meet, the Central Michigan Relays, and the Regional and State Meets.

It will mark the second time the Jordanites have fielded a track aggregation in more than ten years. Last year the sport was again introduced to the school. Not since Abe Cohn coached here during the 1930's have the locals entered full scale competition.

Heading the list of track hopefuls is Jimmie Milstein, who last year turned in the best time in the 440 yd. dash ever recorded by a local lad in winning the conference quarter-mile crown with 55.2 secs.

Local track and field records date back as far as 1930, when Francis Quinn set the 100 yd. and 220 yd. dash marks that have endured through the years. Listed below are the existing school records and the boys who compiled them.

100 yd. dash — Francis Quinn, 1930 — :10.4

120 yd. high hurdles — (42-inch hurdles) W. Bennett, 1938 — :16.6

200 yd. low hurdles — Edward Stanek, 1936 — :24.6

220 yd. dash — Francis Quinn, 1930 — :23.3

440 yd. dash — James Milstein, 1950 — :55.2

880 yd. run — Walter Leist, 1935 — 2:0.6

Mile run — Alba Brooks, 1932 — 4:59

High jump — Robert Bennett, 1936 — 5 ft. 8 in.

Broad jump — Edward Stanek, 1936 — 20 ft. 10 in.

Pole vault — Howard Sommerville 1932 — 11 ft.

Shot — Howard Sommerville, 1932 — 43 ft.

880 yd. Relay — (Bill Bennett, Bud Porter, Glen Malpass and Bill Inman), 1938 — 1:38.8

The 1951 schedule of meets follows:

Wednesday, April 25 — Petoskey, there, tentative, 4:00 p. m.

Wednesday, May 2 — Petoskey, there, tentative, 4:00 p. m.

Saturday, May 5 — Central Michigan Relays at Mt. Pleasant, All Day.

Saturday, May 12 — N. M. C. C. Meet, at Charlevoix, All Day.

Saturday, May 19 — Regional Meet, at Cadillac, All Day.

Saturday, May 26 — State Meet, at East Lansing, All Day.

ATTENTION!

Citizens of East Jordan and vicinity: The soliciting for the American Cancer Society will start Monday, April 16.

Ellsworth Has Another Music Treat

On Friday, April 13, a treat is in store for the Ellsworth community. The 45-voice a-capella choir of Northern Michigan Christian High School will render a concert in the Ellsworth Christian Reformed Church. This choir, under the able leadership of Mr. Fred Westmass, has favored us with their singing for the past two years, and their music is greatly appreciated.

On April 14, on leaving Ellsworth, they plan to sing in the Music Festival to be held at Traverse City. Last year, in Petoskey, they received A ratings at this festival. They then went to Mt. Pleasant to take part in the State Music Festival, where they again took A ratings. High honors were given them at the Spring Choir Festival in Grand Rapids, held annually in the Civic Auditorium. They will again participate in this festival on April 26.

Don't forget the date—April 13, and come out to hear the fine singing of this group.

Wilson Farmers Union Has New Hall

Wilson Farmers Union members met last Wednesday evening, April 4th, for their second meeting in the new Hall. There were 57 members & guests present. They are holding dances every Friday & Saturday evening now with Clarence Archers Orchestra. The Hall was built by all the Farmers in Wilson Local and helpers came from South Arm Local and Norwood Local. The floor is one of the biggest and best in the country which is 60 ft. long and 30 ft. wide. It has an Orchestra pit in one side and directly across is the kitchen. Everyone is cordially invited to come and shake a leg. Young and Old.

The Farm Bureau met at the Leslie Sheridan home Friday, April 6th. There were 10 members present, 4 visitors and 8 children. On account of so many people being laid up with colds there were quite a few absent.

Mrs. Frances Crowell returned to her farm home last Saturday from visiting in Jackson and in Oregon with her two daughters. Her daughter and husband and 3 small boys drove Mrs. Crowell home. The Wordens will return to Jackson Monday.

Mr. and Mrs. Walter Ross of Norwood spent part of Sunday visiting at the Robt. Myers home. Mrs. Anna Johnston of Cadillac is spending a few days with her sister, Mrs. Myers. Mrs. Ross is an aunt of the two ladies.

Mr. and Mrs. Robt. Myers and daughters and Mr. and Mrs. Henry Howard were callers at the Wm. Gaunt home Friday evening.

Mrs. Caroline Taylor of Fremont spent from Thursday to Monday with her daughter and husband, Mr. and Mrs. Bill Gaunt, Jr.

Carl Grutsch and Alfred Crowell drove to Leroy one day last week and got a registered bull calf for Carl Grutsch.

The Dan Hosler family were supper guests at the Henry Howard home.

Ernie Howard was a caller at the Henry Howard home Friday.

Mr. and Mrs. Wm. Gaunt, Sr., spent Sunday with Miss Viola Robinson at Petoskey as she has been in bed with a bad case of pneumonia.

Spring is clean-up-time—time to clean out hazards around the farmstead which might cause injury loss of time, or even disaster.

Bowling News

The East Jordan Masons, bowling in the Top O'Michigan Masonic Traveling league, won the Championship the hard way. Bowling against the second place Boyne City 391 team they dropped all 4 points to go behind in the standings by 2 points, while Boyne City 154 was taking 3 points from their home rivals, Boyne City 391 into a first place tie and it was agreed that the two teams bowl and extra game to decide the championship. East Jordan won the roll off by 15 pins.

In addition to winning the championship East Jordan also took all the high scoring honors for the league with their season high game of 1107, high series 3050, while Barney Adair copped the individual average as well as season high game of 278 and high series of 735.

The entire league will meet again at an annual banquet at a later date.

In the Merchants league Sommerville's Grocery team had their winning steak broken at 24 games when the E. J. Recreation took the 2nd and 3rd games to split points. Sommerville's having won the first game by a wide margin. Spin Cihak was tops for the grocers with 587, which included a 238 1st game. Chris Bulow was high for the Recreation with 539.

Second place Monarch Finer Foods won 3 points from the Anchorage bowlers with 549.

St. Joseph took 3 points from the Anchorage when Ray Dubas led the Saints with 562 which included a 210 finisher. Bill Kistner was tops for the Tavern team starting with 204 in 545.

State Bank won 3 points from State Insurance, Greg Boswell leading the Bankers with 556, while Henry Ruis had high series for the Insurance men with 520.

After losing the first game to the American Legion by 5 pins, Thorsin's Lumber Jacks continued on to win 3 points from their opponents. Ward Wood having high three for the Lumber men with 535.

Abe Cole topped the Legionaires with 511. Last place Ellsworth Electric finally broke their losing streak when the won 3 points from the E.J. Canning Co.

Les Arndt was tops for the Electricians with 497 while Burl Braman had high series for the Canners with 463.

Boy Scout Court of Honor

Monday evening, April 16th in the Presbyterian Church there will be held a most auspicious and impressive service for some of our young boys in the community. This will mark the first public appearance of our newly organized Boy Scout Troop and will be the public recognition of some of these boys who have successfully passed the test for Tenderfoot Rank of Boy Scouts. It will be the Court of Honor and will impress the worthwhileness of successful endeavour in this training for life upon the boys and their friends of these boys.

The community should be aware of this attempt to take the boys of our town and give them some whorthwhile training in the art of living successfully among their friends and their neighbors. The needs and the interests of the boys and as the boys progresses program is one that is designed around the recognition is given to him for his diligence in learning and practice. Any boy who will put himself into this program will find himself be carried along by the very appeal of the new things he can earn.

It is not only that the boy finds these things for himself but it makes him a useful citizen and he finds it much easier to fit himself into the community with respect and honor than if he is allowed to make his own way. It is our proper duty as the adult member of our community to encourage him in every way through our own interest in him and proving the means by which he can find himself equipped for life.

The parents of these boys should be the most vitally interested of all people in this program. While it may be carried on by men who may not be the parents of these boys but who are interested in them as boys, it still remains that the parents must actively support the program with their interest and means as an encouragement to the leaders and to the boys.

We are therefore urging that the parents of these boys make it a "must" to be at this Court of Honor next Tuesday evening and show their pride in their boy who has successfully passed his first test or who will in the near future. There will be a Pot-luck Supper served at 7:00 P.M. in the Church and afterwards the Court of Honor will be held. Let's make it impressive to these boys by being there and showing them we are for them.

Ike Snubs Dewey

ONLY A FEW insiders know it, but Governor Dewey has been coldly snubbed by General Eisenhower.

Ever since Dewey announced his support for Eisenhower for the 1952 presidential nomination, the governor has tried to arrange a political chat with his prize candidate. However, Ike artfully dodged each overture, and has sent back word that he was "too busy" or "just leaving town" or "ill."

This cold-shoulder treatment has finally gotten under Dewey's skin and caused him to describe Eisenhower in colorful—but unprintable—language. Dewey still regards himself as head of the Republican party and is furious at Ike's polite rebuff.

One of Ike's bosom army pals explained the Dewey snub this way:

"It's all very simple," he admitted to this column. "In the first place Ike just doesn't like Dewey. Secondly, Ike's political backers have told him that the New York delegation to the Republican convention is in the bag—regardless of where Dewey stands."

The ironical twist is that Dewey not only is committed to Eisenhower publicly, but is a leading supporter of Eisenhower's foreign-policy point of view inside the Republican party.

Note—Ike's dislike of Dewey goes back to the spring of 1948 and the bitter struggle over the GOP presidential nomination While Ike was flirting with the idea of accepting a draft, he received word that the Dewey forces were collecting a "file" for use against Eisenhower in case he became an active competitor for the nomination.

Aiding Guerrillas

A secret decision to aid China's 1,500,000 anti-Communist guerrillas has been made by America's top policy group, the national security council. Under this decision, U.S agents will contact guerrilla leaders on the mainland and offer limited armed aid for raids on Communist strongholds and supply lines. This plan would follow the pattern of assistance to Greek and Yugoslav guerrillas in World War II.

Authentic reports from the mainland say the Chinese guerrillas, some of them former nationalist troops, are in actual control of vast areas in the south and northwest of China. With Communist defeats in Korea, the guerrillas have launched bold attacks throughout China. Pekin's red dictator, Mao Tse-Tung, has imported Soviet experts to run the "anti-bandit extermination campaign." Some reports claim that up to half a million Chinese have been killed or arrested in this campaign in the last year

Meanwhile an argument still rages inside the security council on arming, for use in Korea, the 600,000 trained and partly equipped troops of Generalissimo Chiang Kai-Shek on the island of Formosa.

The chief advocate of aid to Generalissimo Chiang is General MacArthur. He cabled Washington that with Chiang's troops he would have a sufficient force to drive to the Manchurian border.

However, the opponents in the state department and the pentagon claim that Chiang's troops would desert, that Chiang is discredited in Asia, and has no control over the guerrillas.

Sopping the Gravey

While small firms have been left out in the cold, the giant corporations have been sopping up all the gravy in defense subsidies.

Already the big companies, such as U.S. steel, have been granted over two billion dollars in tax subsidies for defense expansion. Yet at the same time, applications from small firms and newcomers are gathering dust in government offices.

These government subsidies are in the form of accelerated amortization — or rapid tax write-offs—on new plants which the government approves for the defense effort. The certifying agency is the national production administration, which has been giving big business all the breaks.

For example, U.S. steel, through its subsidiary, Carnegie-Illinois, has obtained over $300,000,000 in tax write-offs for one plant at Morrisville, Pa.

The truth is that small business is getting a worse deal than labor from mobilization boss Charles Wilson.

War Notes

The Chinese Communists are pouring reinforcements into a new line north of the 38th parallel. They are using the German system of replacing battalion for battalion instead of man for man . . . Meanwhile, General MacArthur has been begging the joint chiefs of staff to double American replacements to Korea, which have been averaging about 14,200 per month. A 50 per cent increase has been agreed upon.

ANGLING ANGLES
by old Hi

At last, fellows, the long winter is peterin' out, and soon we'll be working a live bait or lure into a pool of some familiar stream nearby. Boys, that'll be living! It can't come too quick for me, an' I'll bet a neat glass-lake fly rod that you feel the same way.

Old Hi is glad to be back for another round of pow-wows with you fishermen. Last year I met a slew of new angler friends in just about every state in this grand country of ours, and now, for the third season, I'm counting on your being right here with me again each week.

How about it? Is that a deal? You see, there's some mighty useful dope coming your way in the days ahead. This'll put you "in the know" on the latest tackle and schemes for connecting with the wily game and pan fish you like to catch—in both fresh and salt waters.

Offhand, there'll be tips on how to coax idle trout, bass, perch, pike, muskies, salmon, and other lake and stream dwellers into your net, what sizes and patterns of wet and dry flies to use under different situations, how spinning can give you greater sport, how to get a bigger kick out of t'-ing, how to make your tackle s.ve you better service, and many more angles.

Besides that, Old Hi is always ready to help with any questions or problems on fishin' you may have. Perhaps you've wondered what fish might be stocked in a farmland pond, how to make your pond more productive, why your bait or fly casting hasn't been reaching out far enough, what rod and reel should be chosen for your particular needs, or something else.

Just cast a few lines to Old Hi, in care of this newspaper, and I'll try to set you right on your puzzler. Be sure to explain the situation fully, though, so that a suitable answer can be given. And make certain to print your name and address plainly.

A pile of letters reached Old Hi last year, from every corner of the nation, and I'll look forward to hearing from you again this season. Hundreds of you from coast to coast wrote in for free copies of Old Hi's booklets called "Fishing For The Millions" (on fresh water angling), "Salt Water Sports Fishing" (covering the Atlantic and Gulf of Mexico seashores), and "Pacific Coastal Fishing."

A fresh supply of these booklets is on hand, and those of my friends who do not yet have their copies are invited to write in for them. Just send a penny postcard to me, by way of this newspaper, and I'll be glad to mail you any of these well illustrated booklets you want.

In the meantime, fellows, we've got a lot of things to do to make ready for the opening day of trout fishing. Right now we should dig out the tackle box from winter storage and begin cleaning and testing each article it holds. I'll have more to say about this important job next week. See you then.

HOME DEMONSTRATION GROUPS TEACH MONEY SAVING TECHNIQUES

Many women contribute to the family income by saving money rather than earning it. Membership in more than 2,400 home demonstration groups, sponsored by Michigan State College's Cooperative Extension Service, makes this possible.

Through their extension lessons from the college, the local groups learned many ways to save money. They were taught by their group leader who in turn was trained by MSC extension specialists in home economice and county home demonstration agents.

Approximately 40,000 women enrolled in these home extension groups learn a great variety of subjects. Their projects cover the fields of foods and nutrition, clothing, home furnishings, health, home management, landscaping and child development.

Members of home demonstration clubs learned skills that benefitted them not only this year, but will be of aid in years to come. They learned to make their own clothing and how to sew for their children. Their homes show many improvements for little money because of slip covers, refinished furniture, and other money-saving practices.

Community projects interest many of these groups through aid to the Red Cross, hospitalized veterans, safety campaigns, and civic improvement.

National Home Demonstration Week April 29-May 5, is planned as an annual observance and review of the work of the more than 1,000,000 members of home demonstration clubs throughout the nation

Labor Adopts Grass Roots Program; Revision of Farm Parity Suggested

GRASS ROOTS MANIFESTO—Seven hundred small town unionists met in Washington recently, adopted a seven point manifesto, and departed for the Main Streets of America determined to marshal the support of consumer groups, including ladies' clubs, service clubs and farm organizations behind their program.

The home town unionists based their manifesto on the thesis of "equality of sacrifice for all groups." In a statement issued at the close of their meeting the group stated: "We are shocked by the cruel disregard being shown for the interests of everyday American families. We are shocked by the privilege and favoritism bestowed on a single group—big business."

One of the major points of the "grass roots" labor program: "Labor, the farmers, small business and independent consumer groups must be given full representation on all mobilization and stabilization agencies at the policy-making and administrative levels. By so doing, the government can inspire renewed public confidence and public support of controls which otherwise will be hard to take."

MAIN STREET ECONOMY—Although the situation is not too clear at the moment, there seems to be shaping up in congress a battle over the administration's budget that will strike at the Main Street level of the nation before it touches many other segments.

The joint congressional committee, which reported on the nation's economy and the proposed budget, recommended a new study of farm-price supports and reduction of federal grants to states.

Specifically, the report cited next year's budget estimate of $2,883,000,000 in federal grants to states for highways, public welfare, health, school lunches, agricultural-extension services and agricultural experiment stations, vocational rehabilitation, airports, and other services. All of these services are on the Main Street level and a cut will be felt immediately in the home towns of the nation.

Of all the questions considered in the report, farm parity was the most explosive. The report declared that legislative remedies must be sought to correct a condition which now exists by which prices increasing the cost of living and the cost of defense are geared to the industrial practices which have for many years driven up prices of industrial commodities.

Farm parity, invented at the depths of the depression, is geared to the price of industrial commodities. Revision and modernization of the law will undoubtedly be one of the big questions facing the congress.

HIGHER STILL—Every time the bureau of labor statistics announces its index figures on the cost of living they are always higher, even as administration officials repeat the old refrain that leveling-off is "just around the corner."

The bureau's newest figures reported the cost of living up 1.3 per cent, setting another record. The figure was pegged at 183.8 per cent of the 1935-39 base period. This was 8 per cent higher than the level of June, 1950, before the Korean fighting began, and 9.5 per cent above a year ago.

Meanwhile, there were indications that the people in the home towns may be developing some consumer resistance to high prices. The commerce department reported a 3 per cent decline in retail sales. Department store sales were reported down 4 per cent.

Unofficial reports told of a slackening of consumer buying, possibly because many persons had stocked up heavily last year and possibly because of price climbs.

THE BORROWER— Russia flatly refused recently to return 670 American naval and cargo ships she "borrowed" under the World War II lend-lease program. The Soviet went so far as to state that the United States really does not need the ships.

Reduced to a common denominator, it is like a home town neighbor borrowing your lawn mower and refusing to return it after he has clipped his lawn, and having the nerve to tell you you don't need it anyway, because your lawn doesn't need cutting.

The ships are only one of the lend-lease problems with Russia. The Soviet still has an over-all $11 billion unsettled lease-lend account with this nation.

MACARTHUR UNDER FIRE— Gen. Douglas MacArthur, who seems to have a knack of making controversial statements, again threw the state department and the United Nations into an uproar when he asserted he stood ready at any time to confer in the field with the commander in chief of the Chinese and North Korean forces to end the war and "find any military means whereby the realization of the political objectives of the United Nations in Korea, to which no nation may justly take exceptions, might be accomplished without further bloodshed."

The state department immediately asked the defense department and the White House to curb the general's authority to issue diplomatic overtones. The controversy was taken up in the U.N. and MacArthur was criticized by British and French newspaper.

Strong-willed MacArthur, who does not believe in hiding his genius under a blanket, had nothing to say about the criticism of his latest statement. If the state department and the United Nations persist in their demands that MacArthur be silenced permanently, it might mean that pipe-smoking Doug will have his wings clipped for the first time in his long career.

DRAFT CALL CUT—Home town draft boards were notified that their April quotas had been cut in half. The army ordered a quota of 40,000 for the month instead of the previously announced 80,000. Enlistments, running higher than were anticipated, and fewer casualties in Korea than had been feared were given as reasons for the change in the induction rate.

The army at latest reports was only about 100,000 men short of its present goal of 1,500,000 men.

Meanwhile, a congressional spokesman said the army should be able to halt the draft within 18 months and set up its universal-military-training program.

The Big Show

Sen. Estes Kefauver, (above), emcee of the senate crime investigating committee hearings in New York, provided the nation with its greatest show during recent weeks when his committee played to 15,000,000 television fans, and starring such underworld-gambling bigshots as

Jake "Greasy Thumb" Guzick, who refused to talk,

Frank Costello, who keeps $40,000 in cash in his home.

and James J. Carroll, who told unsympathetic senators that television cameras scared him. The public liked the show so much it objected when a few stations switched to a brief Easter religious service.

THE AMERICAN FARMER

Farm Plant Value Pegged at 91 Million

American farmers now own 91 billion dollars worth of land, buildings, live stock and equipment. This gigantic food "factory" turned out approximately 30 billion dollars worth of produce in 1950, or a third of the value of the "plant" itself. In 1900 and even in 1910, American agriculture produced only a sixth of its own physical value in a year. Even in prosperous 1929 it produced a little less than one-fourth of its "plant value," a recent survey revealed.

The farmer has accomplished these gains through a 900 per cent increase in his investment in tools and machinery since 1900, and by use of better methods, better seed, better livestock, and more fertilizer, the report stated.

Buzz And The Off-Key Baritones

Reverend Lester of the church out on Hillsboro Road coaches his Young Peoples' Choir late Thursday afternoons—after high school basketball practice lets out.

Buzz Ellis pastures cows next to that church. Around 5 o'clock they used to make a lot of racket about wanting to go home. That made it kind of rough on the choir.

When Buzz learned what was going on he said to Reverend Lester: "I never yet heard of a cow that could moo on key. So, I'll just move 'em in a little earlier. . . ." This started me to thinking. Buzz doesn't go to that church. And he's so tone-deaf he couldn't carry a tune in a bucket!

From where I sit, you might say that Buzz didn't have much in common with those singers. But he doesn't divide folks into groups he's "with" or "agin." Your politics, your personal preferences—or the fact that you like a moderate glass of beer—mean nothing either way to Buzz. He's a real neighbor to *everybody!*

NORTHWESTERN MICHIGAN
IS *Spotlighted* IN NATIONAL PUBLICATIONS

Every year millions of people come from other states to share for a few days or weeks the joy of living in Northern Michigan.

In volume of tourist and resort business Michigan ranks among the leaders.

Michigan is America's No. 1 state for fishing and hunting. It has 3,000 miles of magnificent Great Lakes coastline, 11,000 inland lakes, 36,000 miles of sparkling streams, 17 million acres of evergreen and hardwood forests.

Much of Michigan's finest summer and winter resort country is in Consumers Power Company's Northwest Division, a region containing thousands of square miles of wooded hills and valleys, lakes and streams.

Here are many good small towns. Traverse City, Cadillac and Manistee are busy centers of trade and industry besides being resort cities. The same is true of Cheboygan, Boyne City, Grayling, Gaylord and many others. Products of the area include sprayers, farming tools, leather goods, woodenware, furniture, salt, speed boats, chemicals, rubber goods, canned fruits and vegetables, cement and paper.

Traverse City is the cherry capital of America, scene of the famous National Cherry Festival. Apples and other fruits thrive in the Northwest Division. Potatoes, beans and corn are important products.

The people are of the self-reliant resourceful type to be found where outdoor life is popular.

What better place for an industry or branch plant could be found than a good small town in a region where people really enjoy living? Where your personnel—and you, too—can forget your cares while whipping a trout stream or enjoying a steak roast on a moonlit shore.

Let us tell you more about the Northwest Division.

Their Twenty-Fifth Wedding Anniversary

A very nice party was held on Tuesday evening, April 10, when 25 friends and neighbors helped Mr. and Mrs. Merle Thompson celebrate their twenty-fifth wedding anniversary by spending the evening at their home. A bountiful planned co-operative dinner was served at 6:30. A lovely three-tiered wedding cake, beautifully decorated with white and silver topped with a miniature bride and groom, baked by Mrs. Roy Gokee, centered the table.

The evening was spent playing pinochle, the first prizes going to Mrs. Ed Kamradt and Thomas St. Charles. The consolation prizes went to Mrs. Harry Simmons and Gilbert Sturgell.

Mr. and Mrs. Thompson were married in Grand Rapids April 10, 1926.

They received many cards and gifts. The gift presented by those present at the party were 25 glittering silver dollars. On departing each expressed the hope they would be here to celebrate their golden anniversary.

"White Tails" Still Dying

DEPARTMENT HAS BEEN RESCHEDULED THROUGH APRIL 30th.

The postponed special conservation department search for winter kill deer has been rescheduled for about three weeks through April 30.

"Search has been delayed," advises I. H. Bartlett, department deer specialist, "because of too much snow and the fact that deer still are dying. We would like to make the loss estimate as near accurate as possible."

Preliminary estimate of winter starvation loss is 35,000 to 50,000 white tails.

Five or more four-man crews will scour border areas of winter yards and other likely starvation areas in Montmorency, Iosco, Kalkaska, Roscommon, Crawford, Ogemaw and Oscoda counties. With the aid of a special count in this most browsed-out section of the state, game men can calculate total state herd loss.

Department personnel from other parts of the state and wildlife students from the University of Michigan and Michigan State College will help area game managers and conservation officers in making the search.

A recent deer yard inspection trip by 70 members of the Detroit Sportsmen's Congress and Wayne, Oakland, Genesee, Ingham and East Presque Isle county sportsmen's clubs produced 23 deer in three hours of checking. The department-conducted trip was made in browsedout deer yards and adjacent jack pine areas east of Mio along the south side of the Au Sable river. Bartlett notes most of the deer fawns born last summer but a few were 10-15 year old does with worn out teeth.

Conservation department field men report deer herds are tightly yarded in northern portions of the upper peninsula. Conditions still are critical in the Crystal Falls and parts of other upper peninsula districts.

Beaver trappers reported finding deer in the Gaylord district.

Dr. H. P. Porter, Jr., and George Secord spent Sunday in the city

Mrs. Walter Hunsberger has returned home after a month's visit with relatives in Flint and Detroit.

Mr. and Mrs. Jack Dixon and daughter of Grand Rapids were week end guests of Mrs. Elsie Gothro.

Miss Olga Wagbo of Chicago is making an extended visit with her father, Jacob Waagbo, and sister, Miss Anna.

Good truck for sale or trade. Also 2-room house with lights, water inside and garage for rent. —C. J. Malpass. adv.

Mrs. Ira Lee arrived from Phoenix, Ariz., Saturday. She plans to spend the summer monthe around this city and Petoskey.

Mrs. Eleanore Scott, Mrs. Bea Keller and Mrs. Alberta Nowland entertained with a pre-nuptial lower Staurday afternoon in honor of Barbara Braman. For entertainment games were played such as: a flower quiz and a telegram to the bride-to-be. She received many lovely gifts after which a dainty lunch was served by the hostesses.

Thomas H. Lew, senior student at Michigan College of Mining and Technology in Houghton, a member of the Air Force ROTC Cadet Corps, was among 20 students promoted in rank in the R-OTC program. Leu's promotion is to the rank of Cadet Major. He will receive his bachelor of science degree in June and will be called to active military service soon thereafter. Leu is a member of Tau Beta Pi, national honorary engineering fraternity; Eta Kappa Nu, national honary electricial engineering, on the staff of the college newspaper and was named Distinguished Military Student.

Kite-Flyers Be Careful

CONSUMERS POWER CO. REPEATES TIMELY WARNING

Division Manager B. D. Hilty of Consumers Power Company today voiced his annual warning to kite-flyers: Be careful!

Mr. Hilty said children should remind each other and be reminded by their parents and teachers that flying kites can be a dangerous—and fatal—pastime.

He said no kite flyer, under any circumstances, should equip his kite with copper or wire string, or with string in which aluminum foil is intertwined—such as gift-wrapping ribbon—lest his kite string come in contact with high-voltage electric wires. If this happens, electricity conducted by the kite wire could easily kill the kite-flyer.

"The recent accident death of a Saginaw school boy, whose kite was equipped with copper wire instead of harmless string, is a grim safety lesson," Mr. Hilty said.

"Even if kites are safty equipped with string or twine," he added, "flyers should keep them away from electric wires at all times, lest the string has become damp or wet. If this has happened, it is just as dangerous as wire to the kite-holder," he said.

He gave the following rules for safe kite-flying: Use string; keep away from electric wires; do not fly kites during stormy weather.

To help the campaign for safe kite-flying, Consumers has begun its annual distribution of large posters warning children about the dangers involved in the sport. These have been sent to every school in the division area.

Red Cross Drive Goes Over the Top Locally, Lags in County

The 1951 drive to raise $3,500 in Charlevoix county to meet the mercy needs of the Red Cross is lagging badly, County Drive Chairman Walter Bergeon announced Tuesday.

The Red Cross which raised its goal last year has collected only $2,160 or about 60 percent of the goal.

The failure to come close to the goal, will mean that the Red Cross will have to greatly curtail its budget, suspending work which it has been doing on an ever-increasing scale since the outbreak of the Korean conflict.

East Jordan is over the top.

Boyne City, directed by Mrs. F. J. Sattlemeier; East Jordan, directed by Vern Whiteford; Walloon Lake by Mrs. Walter Fineout and Boyne Falls, Miss Joyce Jones have reported partially on their campaign to date.

Among the urgent missions which the Red Cross must accomplish without delay are: disaster preparedness committees which must survey local resources for mass shelter, feeding and feeding and emergency medical care.

The Red Cross has increased its scope of work between the service man and woman and his family. Scores of requests are handled monthly by County Chairman Fran Martin in emergency situations.

The duties of the Red Cross are legion in connection with the armed forces and their families. Persons wishing to give to the Red Cross may contact their local chairman or send their contributions directly to Fran Martin, Charlevoix, county chairman.

Dust and cobwebs around lightbulbs not only cut down the amount of light but also might cause fire, say Michigan State College farm safety specialists.

CHEVROLET

America's Largest and Finest Low-Priced Car!

The Styleline De Luxe 4-Door Sedan
(Continuation of standard equipment and trim illustrated is dependent on availability of material.)

Yes, LARGEST...
and the facts speak for themselves

it's LONGEST in the low-price field, a full 197⅝ inches of spirited action and clean, sweeping lines. It's HEAVIEST in the low-price field, a staunch and solid 3140 pounds in the model illustrated. It has the WIDEST TREAD in the low-price field, a road-taming 58¾ inches between centers of the rear wheels. Longer, heavier, with wider tread . . . that's the measure of Chevrolet's rock-solid value . . . big in looks, big in handling and riding ease, big in road-hugging performance. Why settle for less than a Chevrolet . . . when Chevrolet is the lowest priced line in the low-price field.

Yes, FINEST...
and here are the plain-spoken reasons

FISHER BODY QUALITY, renowned for solid and lasting goodness. UNITIZED KNEE-ACTION RIDE, smooth and gliding. VALVE-IN-HEAD ENGINE ECONOMY, spirited performance at lowest cost. PANORAMIC VISIBILITY, with a big curved windshield and large window area. JUMBO-DRUM BRAKES, biggest in Chevrolet's field. SAFETY-SIGHT INSTRUMENT PANEL, with shielded instrument lights. POWERGLIDE AUTOMATIC TRANSMISSION, billion-mile-proved, combined with 105-h.p. valve-in-head engine optional on De Luxe models at extra cost.

Good reasons why MORE PEOPLE BUY CHEVROLETS THAN ANY OTHER CAR!

Seven Base Ball Games Scheduled This Year

OPENS HERE WITH BOYNE CITY, THURSDAY, APR. 19. ONLY A SPRINKLING OF LETTERMEN

Coach Gayle Saxton will have only a sprinkling of letter winners on hand with which to open the 1951 baseball season, here, a week from Thursday, April 19th, when the Red Devils tangle with the always potent Boyne City nine at 3:00 p. m. at the West Side Ball Park.

On hand for last week's initial workouts were letter winners Max Sommerville, Donald Whiteford, Elwin Evans, James Milstein and Bill Addis. Only Sommerville, Whiteford and Evans were regulars however.

Elwin "Red" Evans will handle the biggest share of work on the mound and is expected to receive help, if needed, from brother, Keith, and Robert Thomas. Thomas and E. Evans are left handers. Catching duties will go to either Max Sommerville, shifted from second base, or to Clinton Clarke, a freshman.

The seven game schedule reads as follows:

Thursday, April 19th — Boyne City, here.

Friday, April 27th — Gaylord, there.

Thursday, May 3rd — Pellston, here.

Monday, May 7th — Boyne City, there.

Thursday, May 10th — Mancelona, there.

Monday, May 14th — Traverse City, here.

Tuesday, May 22nd — Traverse City, there.

Visitation Night By Rebekah Lodge Bring Many Visitors

Helen Bartholomew gave the address of welcome to 151. Irene Kiser, as program chairman, next introduced Don Bowerman, six years old, who sang two songs accompanied by his mother.

Mrs. Robt. Moore next gave a most interesting reading. The nine-man all Senior Chorus sang three numbers accompanied by Mrs. H. Moore of Bellaire. The South Arm 4-H Club next instructed on "How to conduct a perfect meeting." Last number was two tap dances by Sharon DeForest, accompanied on the piano by Mrs. Acitelli. Two door prizes were drawn for.

Next the regular meeting was called to order by N. G. Effie Weldy; Past Assembly President Cathryn Letherby of Traverse City was introduced and welcomed. Four district officers, in whose honor this visitation was held, were introduced and welcomed:—Gladys Burnett, president, Central Lake; Verna Bussa, V. P., Elk Rapids; Olive Allspaugh, sec'y, Bellaire; Irene Wright, treas., East Jordan. Several Past District Presidents were introduced and welcomed. We had 131 members from 9 lodges out of 11 in the whole 18th district.

Past Assembly President C. Letherby complimented us on having the 4-H Club demonstration and our own fine turn out of guests. The program and refreshment committee deserve much credit for making this meeting such a success. Ruth Leach, wife of the Grand Master of Odd Fellows, was here with her Petoskey group.

Who's Who With The Seniors

GERALD OLE OLSON

Gerald Ole Olson, better known to all as "Jerry," was born August 14, 1932 in East Jordan where he has lived all his life and attended the East Jordan Public Schools.

His parents are Mr. and Mrs. Ole Olson.

Jerry has been in F.F.A. two years; Biology Club two years; and has taken part in class plays three years.

He has made no plans for the future as yet.

MARCELLA JUNE OLSTROM

Marcella (Marci) June Olstrom, daughter of Mr. and Mrs. Elmer Olstrom, was born June 22, 1933, on a farm near East Jordan where she has lived all her life and attended the East Jordan Public Schools. She has five sisters and one brother.

Marci's hobbies are dancing and writing letters. She has taken part in the following school activities: Band, three years; Glee Club, two years; F.H.A., four years; Pep Club one year; and Biology Club, one year.

She has not completed her plans for the future.

The School Bell . . .

Wednesday, April 4, the 4-H sewing girls had their meeting in the lunchroom. They elected their committees and had lots of fun. They also voted on a name for the sewing club. There were lots of good names but "The Lucky Clover" got the most votes.

Most of the boys play baseball at noon on the playground. Both hard and soft ball are played. Mostly boys in the grades play softball. Girls also play softball. There are several baseball fields on the playground.

Last March 28th Patsy VonSoosten went to Detroit with her sister, brother-in-law, mother and little niece. They stayed four days. They went on Wednesday and came back Saturday. She watched TV while she was there.

Last Monday, April 9th, at school, Mrs. Larsen filled out the enrollment blanks for Achievement Day which will be held April 26th. She asked us these questions: Our father's first name, our address and how much our materials that we used in knitting cost.

Two years ago this summer a baby swan which had been hurt by a turtle was brought to our home to be cared for. One foot was badly torn and we didn't know if he would live or not. However, although he lost all the webbing in his feet, he grew strong and healthy again. We kept him all summer until he was growing so big that we had to take him to the Sportsman's Park and fix a pen for him. When winter came and the river froze up we asked the conservation men to take him to Traverse City where they have winter quarters.

A week or two ago we started to make cancer posters in school. There are prizes for the best posters. The first prize is ten dollars, the second prize is seven dollars, the third is five dollars. Then there are ten one dollar prizes. I hope I win one.

KINDERGARTEN — I. Sidebotham

We were glad so many of our mothers and daddies came to see th Operetta last Friday.

Both of the Kindergartens took a walk Monday morning to look for crocus and robins and other signs of spring. We saw the fire truck, too. It had such a lot of hose on it.

Tillie Pinney had her six-year-old birthday on Sunday and Lulubelle Cornell will be six on Friday.

We have learned how to count and write 1, 2, 3, 4.

KINDERGARTEN — Helen Severance

Monday we went for a walk to see the spring flowers.

We saw crocuses, yellow, white and purple ones.

We watched for robins.

We found pine cones on the sidewalk.

We went to see the fire engines. We walked all around them. They had hose on them and nozzles. We saw the coats the firemen wear.

FIRST Grade — Mrs. Brooks

We are glad to be back at our regular work again after the operetta.

We thank all the parents who helped us with our costumes for the Easter Parade, and give our special thanks to Mrs. Clark who made the dozens of red roses for the boys.

Helen Boyer is seven years old today. We each made her a birthday card and she gave us all some candy.

Our room is pretty with tulip and pansy flowers which we have made.

FIRST Grade — A. Bowerman

Paula Burull entertained several girl friends on Saturday in honor of her seventh birthday.

Ella Mae Tousley brought the first bouquet of spring flowers, hepaticas, to our room.

On Tuesday afternoon we went for a walk to look for signs of spring. After we returned, we wrote a story about what we had seen.

Eddie Thompson is spending the week at Warm Springs, Georgia, for treatment.

THIRD Grade — Mrs. Downing

Mrs. Hager is ill and Mrs. Downing is our substitute teacher. We have learned a poem, "Rain In April".

All enjoyed the library period in the high school on Tuesday and we now have a new book to read.

Erwin Clark has returned from Detroit and will be in our room the rest of the year.

We are learning new stories and noems about spring and are making colorful pictures in our art period.

FOURTH Grade — Mrs. Snyder

We are glad that David Damoth is home from the hospital and hope that he will be back to school soon.

Five people in the first reading group have finished the workbook that accompanies "Times and Places", the basic reader for fourth grade. The others in the group are working hard to finish soon.

We have finished our study of China. We made a mural of Chinese life. Carolyn Malpass brought some kimonas, fans, chopsticks, parasols, sandels, silk scarves and handkerchiefs from China.

We want Mrs. Nemecek to know how much we appreciate having her teach us while Mrs. Snyder was ill.

Tony Martinek's goat had triplets last week. He gave one to Carolyn Stokes and she named her Nancy Belle. She has to be fed with a bottle three times a day.

Pat Porter and Mary Carol Hastie each have a birthday Tuesday, April 10th. Janet DeHaven's was April 1st.

Tony Martinek is on a trip to New Buffalo, Mich., this week.

SIXTH Grade — Alma Larsen

We have been learning how to write news stories in English class.

The following questions should be answered in a news story:

1. When did it happen?
2. Where did it happen?
3. What happened?
4. Whom or what is it about?

We also learned that we should have headlines that will attract attention. A good beginning sentence is also necessary.
